Pleasant Valley Christian School Partners In Education

Description:

P.I.E is a non-profit group of parents, teachers, & staff of Pleasant Valley Christian School. We provide ideas, organization, & implementation of parent & teacher supported enrichment programs. This is accomplished through fundraising & volunteer efforts of school families, with the participation of Pleasant Valley Christian School teachers & staff.

Mission:

P.I.E, as an organization, is dedicated to serving Christ & the ongoing ministry of Pleasant Valley Christian School. The group strives to improve & enrich the Christian education of our students, in three primary ways:

1. By creating, funding, & organizing student Enrichment Days.
2. By funding classroom specific curricular & teaching enhancements.
3. By each year focusing on a single, larger scale project to support the educational, emotional, & spiritual growth of our students.

It is our goal that through student enrichment & teacher support, we will contribute to & support excellence in Christian Education.

Fundraisers

Innisbrook

This catalog fundraiser was a great success! There were many orders brought in by our students; a majority of them on line. Gross sales were approximately \$13,000 (which our school will net half of that approximate figure). Stay tuned to see who the highest individual seller was, the top selling class & the awards they will receive...including the teacher of the top selling class!!

2nd Annual Golf Tournament

A HUGE thank you to the McCarthy family for organizing this wonderful event! It was a blazing hot day at Sterling Hills for the golfers, but was well worth it when it came time for dinner and the auction. Through the kindness & generosity of our school family, friends, & loved ones, we were able to raise about \$29,000!! How awesome is that?! Considering the economy for all of us, this was a true blessing for our children.

Career Day

If you did not have the opportunity to join us on Career Day, trust me when I say IT WAS AMAZING! Those of you that were able to attend, what an experience! The P.I.E Board would like to extend a BIG thank you to Julie Ziegler, Terri Dawson, JaDee Locke, & Kirsten Hayse for making this day possible and so enjoyable.

The feedback from our children & adults was so positive. They enjoyed seeing & hearing from everyone from our UCLA Doctor, a brave firefighter, and a Political Consultant to name a few.

We look forward to Career Day next year!

there your heart will be also"
